

Dear Loyal Customers & Friends,

Following UK Government instruction on March 23rd we have now closed our office and are remote working across our sales, lettings & property management teams.

We are here to help and if possible would ask that you please contact us by email initially at property@astin.co.uk

If you are part way through a sale or purchase and need advice please feel free to contact us.

We hope to be back in the office and to be able to deal with your enquiry in our friendly 'A Team' manner as soon as possible.

With our very best wishes to you all, near and far.

The A Team!
